Game for anything.

BOLERO

The Mahindra Bolero is more than just a spacious light commercial vehicle, but has all the features of a great, go-anywhere workhorse. Its signature front grille makes it unmistakably a Mahindra, whilst its solid stance and high ground clearance, together with rugged engineering and powerful 2.5l NEF turbo-diesel makes it one of the toughest vehicles on or off the road.

Work or play this rugged Mahindra Bolero comes in a range of models, from the super-economical, no frills BMT with a payload of 1150kg*, to single-cab and spacious double-cab options.

Available in 4x2 and 4x4, the Mahindra Bolero makes hard work look easy. It's tough, and will gladly rise to any challenge that you put before it, keeping you safe and comfortable even it's fully loaded. The Bolero is easy to maintain, fuel economical and offers durability and reliability second to none.

The Bolero delivers 74 kW** of power and 238 Nm** of Torque and great efficiency on any terrain. The fuel economy of the 2.5 litre NEF turbo diesel engine makes the Bolero the perfect workhorse which makes it the ideal companion on dirt roads and rugged terrain. The Bolero comes with a 6.75m turning radius for easy manoeuvrability, a hydraulic clutch for effortless gear shifting and the large load box can take loads up to 1.1 tons, making it a tough contender in harsh conditions.

* Payload applicable to BMT variant only.
** Power and torque ratings for NEF Turbodiesel.

PERFORMANCE.

- 01 The Bolero's 2.5l NEF turbo diesel delivers 74 kW of power and 238 Nm of torque, pulling cleanly from 1800 rpm in third gear, providing great efficiency and excellent fuel economy across any terrain.
- 02 The high walls, fold down panels and easy to clean surface of the load box make it highly functional whatever your load, while the strong chassis provides the ideal base for heavy lifting.

SAFETY IN STYLE.

- 03 The high walls, fold down panels and easy to clean surface of the load box make it highly functional whatever your load, while the strong chassis provides the ideal base for heavy lifting.
- 04 The BMT Plus interior is utilitarian but comfortable and spacious - the soft-to-the-touch vinyl seat upholstery, comfortable armrests, ergonomically designed gear knob and easy-to-read instrument cluster are all created with your convenience in mind.
- 06/07 On the exterior, clear lens headlamps and side steps are just some of the extra convenient touches provided.

A disc-drum brake combination prevents rear-wheel locking and stops the vehicle in its tracks. The low centre of gravity, wide radials and anti-roll bar give the Bolero anti-topple stability in uncertain driving conditions, with an extra thick corrosion-resistant sheet metal body barricading you against impact.

COMFORT AND CONVENIENCE.

The Bolero has been designed to make any drive an easy and enjoyable one. The soft-to-the-touch vinyl seat upholstery, comfortable armrests, ergonomically designed gear knob and easy-to-read instrument cluster are all created with your convenience in mind.

There are also door map pockets, rubber flooring and a space-saving centre console to add to the comfort of the cabin as well as powerful air-conditioning on some derivatives that is sure to cool you down after a hard day's work.

The Bolero makes hard work, so easy, keeping you comfortable even when working to the max with a heavy load. It's easy to maintain, fuel economical and offers utility, durability and reliability that is second to none. From cargo to crates, sand to scaffolding, the Bolero is built to carry any load. The high walls, fold down panels and easy to clean surface of the load box make it highly functional, while the strong chassis provides the ideal base for heavy lifting.

The BMT's 1150 kg load capacity* and large load box capacity make hard work a breeze.

The heater and demister provide welcome comfort and visibility in cold conditions.

Its super fuel-efficiency and low operating costs make the BMT an obvious choice for any business.
