THE SMART CHOICE BECOMES

Smarter

Low total cost of ownership

Full Electronic Safety Suite* | Solid Single Mass Flywheel
Best in class cost efficiency per km | Best value for money in the segment

*Not applicable to S4

The smart choice for your business, for life.

The Mahindra Pik Up is built to be the toughest teammate you've ever had. And now it is even more robust with lower cost of ownership thanks to the introduction of a Solid Single Mass Flywheel on all Mahindra Pik Up SC models.

This means a smoother and more comfortable ride with extended durability and proven durability. No nonsense, just hard work.

Engineered and built to endure the toughest conditions, the Mahindra Pik Up brings unwavering strength, flexibility, and proven reliability to suit your business, and your life.

With a spacious load box supporting up to 1.2T¹ and an enhanced braked towing capacity of 2500 kg, it's the dependable workhorse you can count on. Always ready for the next challenge.

Powered to work and play

The Mahindra Pik Up comes with the stylish Mahindra signature front grille with chrome inserts, dual projector headlamps, an integrated air-scoop in the bonnet, and tough wrap-around bumpers - offering the ultimate protection even on rough gravel roads.

It is powered by Mahindra's legendary 2.2 litre, 4-cylinder mHawk turbo-diesel engine. The modern six-speed transmission delivers an impressive 103kW of power and 320Nm of torque, providing effortless acceleration and all the power you could ever need to get the job done.

Thanks to innovative engineering, the Mahindra Pik-Up is more fuel efficient too, and low on CO₂ emissions - a hallmark of

¹ - Payload: 4X2 = 1195 kg, 4X4 = 1095 kg.

Mahindra's cutting-edge technology.

The Pik Up's Mechanical Locking Differential (MLD), developed by the globally respected Eaton Corporation, enhances off-road performance with advanced 'shift-on-the-fly' capability. It automatically engages full axle lock when needed - no manual input required - ensuring maximum traction exactly when and where you need it.

06

- 01 - Dual projector headlamps.
- 02 - The integrated bonnet scoop and restyled signature grille.
- 03 - The six-speed gearbox provides ample power whenever you need it.
- 04 - Tough new road-armour bumpers.
- 05 - The factory-fitted audio system features USB and auxilliary.²
- 06 - The cab is well ventilated with heater and fan³ or manual air-conditioner.²
- 07 - A12V charging point is mounted on the centre console.
- 08 - Dual airbags for driver and passenger.²
- 09 - Front wrap-around bumper.
- 10 - Replacement side step.
- 11 - Roll-bar with laser-cut logo detail.
- 12 - The legendary mHawk turbo-diesel engine.

Working in Style and Comfort

Mahindra Pik Up is equipped with all the essentials for a comfortable drive and working environment.

Standard features include power steering, central locking², and a USB port, while a manual air conditioner² helps you stay cool under pressure. It also features innovative Micro-Hybrid technology, allowing the engine to intelligently switch to standby mode when idle, saving fuel and reducing environmental impact.

Safety on the Job

When it comes to performance, the Pik Up delivers confident handling and control. Its Cushion Suspension and Anti-Roll Technology ensure exceptional stability and

road grip, while ABS with EBD, available on all Manual en Automatic models, enhances braking performance in critical situations.

Safety is built in from every angle

*Dual front airbags and side impact protection bars help keep occupants secure, while an engine immobiliser with encrypted key recognition prevents unauthorised access. An anti-theft warning system adds an extra layer of protection for peace of mind.

More to Discover

A wide range of high-quality accessories is available to customise and enhance your Mahindra Pik Up, giving you everything you need to go further and get the job done. Speak to your dealer for more details.
